**N.E.A.S.M. Conference 2019 Information
Lucerne Inn**

GPS address 2517 Main Road, Dedham, ME 04429
(207) 843-5123

Join us Friday September 06, 2019 through Sunday Brunch September 09, 2019

Hello All,

This year's conference will be a different format. Ken and I have been able to obtain the various styled room rates at a cost saving rate of 30% off until July 31, 2019 at Lucerne Inn, located is halfway between Bangor and Ellsworth, Maine. This a beautiful grand Inn steeped in local history with a commanding view of Philips Lake and area hills. It is surrounded by an awarded well-known and loved golf course we will be able to enjoy Saturday afternoon. Please let the Inn know if you have any special dietary needs.

We will have no convention fees this year as the Inn has offered us a cost saving plan if we each pay for our meals at the Inn,

We all tend to procrastinate booking for conferences, however we can save a great amount by booking as soon as possible. Lucerne Inn will hold the rooms at this rate until July 31, 2019. After that the rates will increase by the week and we are apt to loose the rooms as this is a very popular Inn. The owners are saving these rooms as a special favor. As this is a last ditch effort to save the New England Association of Structural Movers please call today and reserve your choice of room.

If you can stay a few extra hours on Sunday morning, the Lucerne Inn serves the best Sunday Brunch in our area. It is well worth sleeping in and savoring one more great meal.

The business meeting will begin at 9:00 AM Saturday. The continental breakfast will available until 9:30 for us on Saturday morning.

Thank you, and please call today.

Diann and Ken Jordan
